"Every man is entitled, if he can, to order his affairs so that the tax attaching under the appropriate Acts is less than it otherwise would be." – Lord Tomlin, judge in the Duke of Westminster's case

Sarah grew up on a farm and learned the value of hard work at a young age. Now she's bringing that strong work ethic to the Moodys team. Early on, she saw how capital management and taxes presented various challenges to entrepreneurs. That experience drives her to find solid tax solutions that work for her clients. During the busy season, coffee and chocolate are Sarah's go-to goodies for an extra energy boost. That adrenaline rush also comes in handy when she's playing ball hockey. Sarah is mom to two young daughters, and her ingenuity and dedication make her the perfect role model.
